

## 4a. Traps

“It’s remarkable how much long-term advantage people like us have gotten by trying to be **consistently not stupid**, instead of trying to be very intelligent.”

Charlie Munger

## 4a. Traps

“It’s remarkable how much long-term advantage people like us have gotten by trying to be **consistently not stupid**, instead of trying to be very intelligent.”

Charlie Munger

Trading and investing is mainly about **correct decision making in an environment of severe uncertainty**.
